Dear Jerry:

I am very excited about the plans for a veterans memorial in the vicinity of the new Veterans Administration Medical Center in Orlando. Just like the hospital is long overdue to serve our many area veterans, a proper memorial is equally overdue. Our area has a large number of veterans. This memorial would be suitable recognition for their service.

All of us owe so much to our veterans, and I would like you to please count on my support for this very important project.

Sincerely,

Mel Martinez
