**SUBJECT: Central Florida Veterans Memorial Park at Lake Nona – Orlando**

Dear Mr. Pierce:

On behalf of the Brevard Board of County Commissioners, you have my support of the future plans for the Central Florida Veterans Memorial Park at Lake Nona in Orlando.

By being located next to the Veterans Affairs Medical Center currently under construction, the Park will provide a well-deserved haven for veterans, families, friends, and loved ones to honor the sacrifices made by the brave soldiers from Brevard, Lake, Orange, Osceola, Seminole and Volusia counties.

Please accept my deep appreciation of the noble efforts demonstrated by the members of the Central Florida Veterans Memorial Park Foundation, Inc. to help make the Memorial Park become a reality.

Regards,

Mary Bolin  
Chairman  
Board of County Commission  
District 4
