Dear Mr. Pierce:

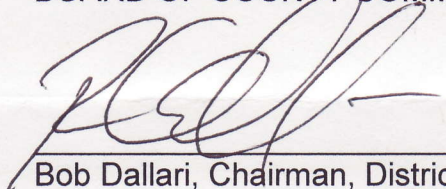

It is with great pleasure that Seminole County expresses its full support for the Central Florida Veterans Park at Lake Nona.

The location of this park, adjacent to the new Medical Center, will be a welcoming site for all Veterans and their families to pay homage to those who have served our country. This park will be a lasting memorial to the more than 1,100 brave men and women from the six counties located in the Central Florida area that answered the call of duty with bravery and made the ultimate sacrifice for our country.

The Seminole County Board of Commissioners sincerely appreciates the dedication of the Central Florida Veterans Memorial Park Foundation and commends your efforts to establish a lasting tribute to those who have given their lives to protect our freedoms and make our nation safe and secure.

Sincerely,

BOARD OF COUNTY COMMISSIONERS

Bob Dallari, Chairman, District 1

Brenda Carey, Vice Chairman, District 5
